#### DEPARTMENT OF HIGHWAYS

##### NOTICE TO CONTRACTORS

###### Revelstoke-Slocan Electoral District

Bridge Project 619—Big Eddy Underpass, Revelstoke—Shelter Bay Highway, Contract 2: Fabrication and Erection of Structural Steelwork.

SEALED TENDERS, marked "Tender for Bridge Project 619—Big Eddy Underpass, Contract 2," will be received by the Minister of Highways, in his office at the Parliament Buildings, Victoria, B.C., up to 2 p.m. (Pacific Standard time) on Thursday the 22nd day of March 1973, and opened in public at that time and date. Tenders should be delivered to Room 237, Douglas Building, Victoria.

The work to be carried out under this contract consists of the supply, fabrication, delivery, and erection of approximately 64 tons of structural steelwork.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver 9, B.C. (telephone 879-7531), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance),

which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in an amount equal to 10 per cent of the tender price. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. If a bid bond is supplied, this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that the successful bidder supports his tender with a certified cheque, but fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
